Ira Levin's **DEATHTRAP**

This exciting, award-winning play will keep you entertained and gripped from start to finish. Sidney Bruhl, a successful writer of Broadway thrillers, is struggling with a touch of writer's block when he receives from a student a script which Sidney recognises as a potential hit. He invites the young man to the comfortable Connecticut home that he shares with his wife, Myra, and the plot begins its twists from there!

Full of suspense and surprises, it is the longest-running thriller ever to have run on Broadway. Ira Levin takes the basics – murder, deceit, dialogue with hidden sinister meanings and plot reversals – and contorts them again and again.

As the plot develops, it will make you gasp and it will make you laugh. Come and be spellbound!

We are performing this classic thriller at our own intimate studio theatre. Tickets are limited in number and should be purchased as soon as possible from our usual box office options:
