Big Fish

A NEW BROADWAY MUSICAL

Edward Bloom has lived a full and fantastical life, populated by witches, giants, and mermaids, marked by true love that stops time in its tracks, and framed by heroics that push the limits of believability. His adult son, Will, is no longer amused by his father's tales, insisting on a rational rather than a fantastical account of one's life. When Edward's health declines, and Will learns that he and his wife, Josephine, will have a son of their own, Will decides to find out his father's "true" life story, once and for all. Big Fish is a heartfelt, powerful, and truly magical musical about fathers, sons, and the stories that we use to define our identities.

With spine-tinglingly beautiful music and lyrics by Andrew Lipppa, and a funny, heart-warming book by John August, Big Fish is a magnificent "big fish" of a tale itself - spectacular, fantastical, and overflowing with love.

Our production, at Trinity School's comfortable Mitre Theatre, includes a cast of over 30 Mitres old and new, and all the usual Mitre musical magic so book tickets now to avoid the disappointment of missing out!
